EUROCONFIDENTIEL

The **second edition** of the **EU Energy Law and Policy Issues** title contains 15 contributions by Energy Law Lawyers, Practitioners and Academics from leading European Institutions. Among the main themes of the book, this year's edition concentrates on energy and green markets from a European perspective. In this respect, **Dr. Jorge Vasconcelos**, former President of CEER, offers his valuable insight on the European Energy Market as the Foreword to this edition.

Authors include: K. Talus (Lecturer University College London), Bram Delvaux (KU. Leuven), Michaël Hunt (Scientific collaborator UC Louvain), Aleksander Kotlowski (Oxford University), Dr. A. Biava (University of Geneva), Dr. G. Bellantuono (University of Trento), C. Banet (University of Oslo), Dr. A De Hauteclouque (Florence University Institute), Dr. N. Ahner (Florence University Institute), A. Verhelpen (Lawyer Loyens&Loeff), Zornica Zafirova (Lawyer Gas Terra), R. Karova, (Florence University Institute), J. De Cendra (University of Maastricht), Dr. S Seliverstov (Moscow University and Sokolov, Maslov and Partners).
